"AGE OF OPPORTUNITY" CONFERENCE

The teenage years are often viewed by parents as a period to be survived. This seminar departs from that mentality and describes these tumultuous years as years of boundless possibilities and promise. It will give you biblical wisdom, goals, and strategies for parenting during this often trying phase of life.

Conference Speaker: Author Paul Tripp

Paul Tripp is the president of Paul Tripp Ministries whose mission statement is "Connecting the transforming power of Jesus Christ to everyday life." He is a gifted communicator who has over 15 years of pastoral ministry, is on the pastoral staff of Tenth Presbyterian Church in Philadelphia, Pennsylvania, was the founder of a Christian school, has been a counselor for 25 years, is adjunct faculty at Westminster Seminary and the Christian Counseling and Educational Foundation, is the author of several books on practical issues of Christian living, and is a sought-after national and international conference speaker. He has been married for 35 years and has four grown children.
