

CHRIST PRESBYTERIAN CHURCH
NEW HAVEN

28 September 2005

Dear Members of CPC:

Greetings in the name of our Lord Jesus Christ. We write to remind you that this Sunday, October 2, is our annual "Connection Sunday." During the Sunday School hour, the Servant Leader Board and pastoral staff will describe various discipleship and fellowship opportunities in our church, as well as several specific ministry needs. Please make every effort to attend. Some of you may be relatively new to CPC, and you haven't found a place yet to plug in; others have been unable to participate in the past, but now you can. We welcome you, and there are many different ways, big and small, that you can get involved. We also remind you that our annual leadership training weekend is this Friday night and Saturday morning (Sept. 30 and Oct 1). We know that it can be hard to fit these blocks of time into your schedule, but these sessions are very important and required for many of our leadership positions. Please consider coming, and contact Ilona at the church office (777-6960) if you plan to do so.

Second, we want to call to your attention that we are still hoping to add new members to the Servant Leader Board (SLB). For those of you new to CPC, the SLB is critical to the life of our church. They function essentially as our diaconate, or board of deacons, and are particularly responsible for fostering the "communion of saints," including everything from setting up chairs for events to providing diaconal assistance to planning much of our budget. It is very important but hard work, so we would like to allow some members to rotate off occasionally, and we think it is wise to bring on board regularly new members with new perspectives. We had a season for nominations at the end of the spring, but we've decided to accept nominations to the SLB for two more weeks, until October 16. To make it easier to think of possible candidates, we have provided below the names of all resident CPC members. Please take the time to review this list and consider nominating new members to the SLB (members who are already on the SLB or Session have an asterisk by their name). As you do so, be sure to keep in mind the basic qualifications for the board: candidates should be exemplary in character, strong leaders, committed to serving others, and willing to work on a team. In short, all nominees should be both "servants" and "leaders." To nominate someone, you can simply print out this email (or pick up a copy at church) and circle his or her name. You are welcome to nominate more than one person. We'll have a box that you can use to return it.

Lastly, we want to give you an update on Ruling Elder candidates. A few men have completed one year of training, and we are currently inviting them to begin a year of apprenticeship. We will announce their names shortly, and you will begin to see them in some eldering roles (help with liturgy, pastoral visitation, etc.). We will, of course, keep all pastoral concerns confidential until you have elected them to the Session, but we want to introduce them to a broad range of ministry as they continue to discern their calling. We'll keep you posted as we move forward. In the meantime, please pray for them and their families, and let us know if you have any questions.

As we begin another year of ministry, we do so in the joyful confidence that God is present and active among us. Despite our frailty and sin, he is working in and through us, redeeming his people. He is bringing hope to the hopeless, healing to people in pain, and freedom to those in bondage. In the darkness, light is shining. Let us praise and thank God for his power and grace in our midst, and let us thank him for his servants!

Yours in Christ,
The Session of CPC
